

pacifica

stylish collection, outstanding performance

The Pacifica range offers a brilliant palette from classic neutrals to dramatic moderns, pearlescent and metallic finishes. This versatile collection offers limitless options for creativity and design with the following textural combinations:

Pacifica Standard – A subtle leather grain effect in a variety of stylish and striking colours.

Pacifica Weave – A sophisticated woven effect, achieving an attractive cross-hatched look of natural wicker, colour coordinated with Standard and Hide ranges.

Pacifica Hide – An attractive, pronounced grain resembling the appearance of highly textured leather, colour coordinated with Standard and Weave ranges.

Over 20 years, Pacifica fabrics have established a worldwide reputation for outstanding performance in challenging exterior and interior applications.

A superb palette combined with standard, hide and weave textures offers depth and vibrancy, boldness or subtlety, style and substance.

Pacifica's superior specifications surpass industry expectations for longevity, UV stability, fire retardancy, stain resistance and anti-mould and mildew protection.
